IncubateX is a hackathon seeking to bring together some of the most creative minds in the United States.

In our exciting endeavor to make this hackathon a reality, we would like to invite you to join our team as we set out to make IncubateX a stunning and unforgettable experience for the high school and college students who are planning to attend along with many members and leaders of the community.

Before launching into all that this hackathon will encompass, we would like to first thank you for taking the time to consider working with IncubateX.

If any of the following packages are not convenient, contact us for additional opportunities and information for what we can do for you!

Sponsor Support

If financial support is not an option, that won't be a problem. There are alternatives like mentors, food, sleeping bags or blankets/shirts. Please contact us for additional options and how we can help. We place a priority on mentorship, so if you can bring mentors to help, that may waive the sponsorship fee.

Mentors: Mentors are a key part to the success of IncubateX, if you can bring mentors to stay overnight or throughout the day, please let us know and we'd be happy have you as a sponsor.

If you have any questions for us, let us know at
